

The background of the slide features a large, faint, circular seal of the State of Delaware. The seal contains the text "SEAL OF THE STATE OF DELAWARE" around the top and "1704 • 1776 • 1787" around the bottom. In the center is a figure of a person holding a staff and a shield, with a banner below it that reads "LIBERTY AND INDEPENDENCE".

We need to do our part to protect our neighbors who are 65+ and have pre-existing conditions.

- Wear a face covering
- Social distance
- Wash/sanitize hands
- Avoid large gatherings with people from different households

The New York Times

Covid-19 Patient Gets Double Lung Transplant, Offering Hope for Others

The operation is believed to be the first of its kind in the U.S. The patient, a woman in her 20s, had been healthy, but the coronavirus devastated her lungs.

An extracorporeal membrane oxygenation, or ECMO, room, where coronavirus patients struggling to breathe are treated, at a Northwestern Medicine facility in Chicago. Northwestern Medicine

- **Chicago woman in her 20s**
- **Admitted to hospital on April 26 in Chicago**
- **No serious underlying medical conditions**
- **Needed double lung transplant due to COVID-19 damage**

This is still a serious situation.

COVID-19 is not the flu.

Stay-at-Home Order (*lifted*)

- *Test* those who are ill
 - *Isolate* **EVERYONE**
-

Rolling Reopening

- *Test* **EVERYONE**
- *Isolate* positive COVID-19 cases
- *Inform others* (contact tracing)
- *Use* face coverings, social distancing, handwashing/sanitizing to reduce spread

12 states see rising Covid-19 hospitalizations as Arizona asks hospitals to activate emergency plans

By [Madeline Holcombe](#), CNN

Updated 2:10 AM ET, Thu June 11, 2020

(CNN) — Health experts have long warned about a second peak in [Covid-19](#), and now a rise in cases has pushed Arizona to tell its hospitals to activate emergency plans.

Arizona is one of the 19 states with the trend of new coronavirus cases still increasing. While 22 are trending downward, trends in nine states are holding steady. Nationally more than [1.9 million people have been infected](#) by the virus and more than 112,000 have died, according to data from [Johns Hopkins University](#).

Increases in COVID-19 hospitalizations since Memorial Day:

- Alaska
- Arkansas
- Arizona
- California
- Kentucky
- Mississippi
- Montana
- North Carolina
- Oregon
- South Carolina
- Texas
- Utah

DELAWARE IS REOPENING

Public Health Update

Guidance for Resuming Youth Sports

Resuming Youth Sports Schedule

- **LOW-RISK SPORTS** – Can begin June 15 if they can adhere to guidance
- **MEDIUM-RISK SPORTS** – Sport-specific recommendations are being released today and can begin June 15 if they can adhere to the guidance:
 - *Volleyball*
 - *Lacrosse*
 - *Field hockey*
 - *Soccer*
 - *Outdoor basketball*
 - *Baseball*
 - *Softball*

Resuming Youth Sports Schedule

- **HIGH-RISK SPORTS** – Cannot begin until additional recommendations are provided:
 - *Indoor Basketball*
 - *Hockey*
 - *Football*
 - *Wrestling*
 - *Rugby*

Youth Sports – Risk by Activity

Lowest Risk: Performing skill-building drills or conditioning at home, alone or with family members.

Increasing Risk: Team-based practice.

More Risk: Within-team competition.

Even More Risk: Full competition between teams from the same local geographic area.

Highest Risk: Full competition between teams from different geographic areas.

General Guidance

- **Face Coverings**
- **Social Distancing**
- **Hygiene**
- **Disinfection**
- **Equipment Management**
- **Ventilation**
- **Screening**
- **Communication**
- **Travel and Tournaments**
- **Sport Specific Guidance**

Face Coverings

Face coverings are required for:

**Players, staff, volunteers,
parents, spectators**

***unless it poses a breathing hazard for
participants***

Social Distancing

Maintain 6 feet of distance for players, coaches, staff and spectators

- **Stagger arrival and game times**
- **Have parents wait in car during practices/players during games**
- **Alternate seating so no clustering in bleachers**
- **No use of benches or dugouts without distancing**

Social Distancing

- **Players and coaches should not mix in with different teams during competitions**
- **Scrimmages within a team involves less exposure than competitions with other teams**
- **Limit full contact play to game time only**

Social Distancing

- **Limit sizes of groups to 15 players, plus staff.**
- **Create 6 ft. of space between each player's equipment**
- **Limit contact, like high-fives or hugs or after the game line ups and handshakes with the other team**

Hygiene

Players, staff and coaches:

- **Wash hands for 20 sec. before and after practices or games**
- **Hand Sanitizer stations must be available at entrances and exits**
- **Spitting is strongly discouraged**

Disinfection

- **Clean facilities at least once a day**
- **Use of shared water fountains is discouraged – if used must be cleaned frequently**
- **High – touch surfaces (light switches, door knobs and railings) should be cleaned frequently – at a minimum every two hours**

Equipment Management

- **Players, staff, coaches should bring own water and towels**
- **Discourage use of shared equipment.**
 - *Where unavoidable – must be cleaned after each use*
- **Ventilation:**
 - **Encourage outdoor play**
 - **Open windows or use fans when possible**

Screening and Communication

- **Stay home if sick or if you have COVID symptoms**
 - *Isolate at home immediately if you become ill at a game*
- **Organizers should use Essential Services Screening Policy on [de.gov/coronavirus](https://www.de.gov/coronavirus)**
- **Teams must identify a screening and hygiene manager**
- **Teams/organizers must post extensive signage on social distancing, face coverings, and hand hygiene**

Travel & Tournaments

- **Permitted in Phase 2: Competitions between two teams**
- **Not permitted in Phase 2: Tournaments involving teams playing more than one other team**
 - *Increased risk for exposure when players interacting with multiple players and teams*
 - *Overnight events involve youth sharing rooms and socializing*
- **Participants going to out-of-state competitions or coming into Delaware must abide by this guidance**

Sport-Specific Recommendations

- **Baseball/Softball** - Moving the batter's box up or having the catcher wear a face covering
- **Soccer** - Disallowing body checking and headers
- **Lacrosse**
 - Coin toss instead of face off or draw
 - Girls – only 2 players contesting a ground ball

Sport-Specific Recommendations

- **Basketball** – Outside only
- **Field Hockey** – Social distance during penalty corners
- **Volleyball** – Limit number of players
- **Flag football** – Limit number of players

PLAY SAFELY

**PLEASE STAY
HOME IF YOU
ARE SICK.**

de.gov/coronavirus

PREVENT THE SPREAD

**STAY HOME IF
YOU'RE SICK**

**WASH HANDS
FOR 20 SECONDS**

**WEAR A FACE
COVERING OR MASK**

**STAY AT LEAST
6 FT APART**

de.gov/coronavirus

We're in this together.

- Be smart.
- Get tested.
- Wash your hands.
- Wear a face covering.
- Practice social distancing.
- **Protect your neighbors.**
